## RESPECT LIFE MONTH OCTOBER 2017

Sister Agnes Walsh, a Daughter of Charity, is remembered for her heroism in France during World War II. In 1943, when France was occupied by German Nazis, the search for Jews began. In the face of grave peril, Sister Agnes convinced her mother superior to open their convent and offer refuge to a Jewish family. The sisters did the right, but very challenging, thing when many would have told them to take the easy way out.

Inspired by the example of Sister Agnes Walsh and her mother superior, let us devote ourselves anew to following wherever the Lord leads. Let us take courage from their example of faith, and, when facing our own trials, remember what Jesus promised his apostles before ascending into heaven: "Behold, I am with you always, until the end of the age" (Matthew 28:20). Be not afraid; God is with us.
