This is the greatest and first commandment. The second is: You shall love your neighbor as yourself." Jesus tells us to treat others as we would want to be treated, and He has a heart for the oppressed. With God's help, you can make a world of difference. Human trafficking occurs in both urban and rural areas. The main route through Wisconsin is the I-43 corridor from Milwaukee to Green Bay. Survivors of sex trafficking experience unspeakable trauma. As a result, they require a highly specialized level of care that is rooted in best and promising practices. The Rose Home, based in Green Bay is a residential aftercare program that serves survivors ages 18-25 through a holistic, strength-based approach. Treatment includes group and individual therapy, life skills courses and workforce preparation. The Rose Home is a place for survivors to gain confidence and become empowered to live life to the fullest. Donation envelopes are in the pews. Please consider helping to support the residents of the Rose Home. Checks may be made payable to St. John Evangelist Parish and write "Rose Home" on the memo line.**GOOD FELLOWSHIP LUNCHEON:** Whether you experienced a recent loss, or one years ago, we welcome you to a social gathering simply to dine amongst friends instead of eating alone.
