- III. Introductions of councils/staff
Molly Holzrichter and Deb Hasler invited the attendees to introduce themselves and share an interesting fact about themselves.
- IV. Joint Pictorial Directory 2019
Deb Hasler proposed the idea of a new joint pictorial directory. Sandy Jordan shared that the last joint directory was done in 2014 and prior to that the first joint directory was completed in 2008. Father Joe noted that it is useful for him in recognizing people.
- V. Joint Parish Social Events
Deb Hasler mentioned a possible joint activity may be a float in the Chamber Main Street Parade. Deb also suggested the possibility of a picnic. It was decided a committee should be formed to further explore ideas. Deb Hasler made a motion to form an Ad Hoc Joint Social Committee. Molly Holzrichter seconded the motion. There will be one representative/liaison from each parish on this committee. Molly will serve as St. John's representative on this newly formed committee.
- VI. Fundraising
Deb Hasler asked if St. John's could share any fundraising successes or offer any general fundraising ideas. The two suggestions were to create "In Memorial" Donations and to seek input from the Northside Parish Cluster who recently underwent a large capital campaign.
- VII. Pastor's Comments
Father thanked the new youth representatives from both parishes. He also offered thanks to those who prepared and provided our delicious meal and goodies and to all for coming together tonight.
- VIII. Next Joint PC Meeting at BT
The next Joint PC Meeting is tentatively scheduled for November 15, 2018 at Blessed Trinity.
- IX. Closing Prayer
The closing prayer was offered by Father Joe.

Respectfully Submitted,
