

Spring 2019

Greetings from the Catholic Life Center!

It's an exciting time at the Catholic Life Center (CLC), as we have had many activities that have taken place, are currently happening, and are planned for the future.

Recently, we had "standing room only" crowds (45+) to hear Attorney Allison Petri speak on two important topics: Estate planning, and Medicaid/Long-Term Planning. She gave us all many excellent tips to begin or continue those necessary activities. We hope she will return again next year.

Our Health Series continues with speakers from various medical professions helping us live healthier and more active lives: These include Dr. Jerry Miller, Dermatologist from Prevea (SJE Parishioner), and Bob Bouche, Registered Pharmacist, owner of Glander Pharmacy (BT Parishioner). **Coming in June will be a Sleep Specialist.**

Our monthly "Afternoon at the Movies" has been very enjoyable, as we recently saw "Mama Mia! Here We Go Again", "Going in Style" and "Forever My Girl"- Upcoming will be "Aquaman" and "Breakthrough".

We had a bus tour last winter to St. Josephat Basilica and the Pallottine Father's Campus in Milwaukee.

Additional upcoming social activities include: a Hawaiian themed Potluck, a 50s/60s Potluck, and a Christmas in July Potluck.

The seated exercise program began in May with a Physical Therapist - yours truly!

Yarn Club and Card Making Workshops continue, also.

Our coach bus to Memories Dinner Theatre for a luncheon/musical in July – SOLD OUT.

33 tickets were sold for only \$5 (regularly \$35), for Father's Day weekend at Road America - Deadline Passed.

Upcoming Events:

We will begin the 6-part series of Bishop Robert Barron's "The Mass" on Tuesday, September 10, followed by his 10-part series "Catholicism" in March of 2020. Both will be held at St. John Evangelist.

A Fall Dinner/Train in the Dells area is planned for October - Tickets available soon.

On October 25th, we are planning a Wine and Cheese tasting event at St. John Evangelist.

In order to help us plan, we have recently sent out detailed surveys that we will rely on to bring our parishioners things they are interested in. We always welcome your thoughts and ideas.

Please check the church bulletins on the first Sunday of the month for a schedule of upcoming events. We are also on the btsje.org website, just click on "CLC". We can be found on Facebook at "Catholic Communities of St. John Evangelist and Blessed Trinity".

John O'Dell

Director – Catholic Life Center
