Anchor of Hope's Abortion Recovery

Ministry: This post-abortive bible study is designed for those who have come to question their abortion decision. Entangled with different emotions of relief, grief, guilt and anger, men and women can start to feel enslaved to their past decision. While you can't change a choice you made, you may come to regret it and not know how to recover. Find God's healing love, grace, forgiveness, and redemption through this 10 week study. You are not alone on this healing journey. Please note, this is 100% confidential. Contact us at 920-226-4837 or hope@anchorofhopewi.org.

WORLD DAY OF PRAYER FOR VOCATIONS - MAY 12, 2019

"Dear Friends, it is not always easy to discern our vocation and to steer our life in the right direction. For this reason, there needs to be a renewed commitment on the part of the whole Church - priests, religious, pastoral workers and educators - to provide young people in particular with opportunities for listening and discernment. There is a need for a youth ministry and a vocational promotion that can open the way to discovering God's plan, above all through prayer, meditation on God's word, eucharistic adoration and spiritual accompaniment.

On this World Day of Prayer for Vocations, let us join in prayer and ask the Lord to help us discover his plan of love for our lives, and to grant us the courage to walk in the path that, from the beginning, he has chosen for each of us."

--Pope Francis, World Day of Prayer for Vocations, 2019.
